

Call for partnership proposals from non-profit entities to assist in growing the green economy through the eThekweni Waste Circular Economy Development Programme

THE ECONOMIC DEVELOPMENT Unit is calling for proposals from non-profit companies to partner with the Municipality to grow the eThekweni economy through a three-year Waste Circular Economy Development Programme from January 2025 to December 2027. This programme recognizes the interdependence of the social, economic, built and natural environments in providing for the wealth and wellbeing of our citizens, stimulating the local economy, creating jobs and building a compact, sustainable and livable city.

The current programme being implemented until December 2024 encompasses a portfolio of, enterprise development support and local projects across the themes of:

- **Waste Beneficiation for job and enterprise development.**
- **Township Zero Waste model development**
- **Waste Resource Market Development and facilitation**

Interested NPC's with capability related to the abovementioned themes, that have been in operation for at least three years are invited to apply.

Please email to phakamile.mbonambi@durban.gov.za to obtain a copy of the Terms of Reference.

CLOSING DATE: FRIDAY 21ST JUNE 2024 AT 16H00
